We supply you with exactly the brush that you require.

Best Manufacturing. Best Quality. Best Service.

Our Customers are well looked after and they know that we are always there to assist them. Braun&Wettberg® look back on a steadily achieved, 70-years of experience in **the development, manufacturing, and international sales system of quality brushes for the professional and personal use.**

Today, Braun&Wettberg® are among the **authorized suppliers** of global Wholesalers, Hair Dresser Suppliers, Drug Stores and the Wholesalers of Natural Products.

The most remarkable strength is apparent in our continuous development in innovations and the awareness of individual requirements – for **quality, ethically undisputable** and sustainable **brushes for hair and body care.**

Always an idea ahead.
DONT BE SATISFIED WITH SOMETHING ELSE.

We are the pioneers with regard to perfection in the production of brushes

Much sooner than any of our competitors we had already complied by 1998 the necessary regulations for obtaining the certification of the FSC®. This means we only use wooden components that are procured from sources that guarantee a responsible and ethnically perfect harvesting of the forests.

We **guarantee the safety of our products** by:

- Not using Tropical Woods
- Regular supervision and check of all of our suppliers
- Maintaining all required standards worldwide
- Made in Germany

Our corporate philosophy is based on combining the exemplary and maintaining the best quality. Whatever you buy from Braun & Wettberg is ethically sourced and of the highest quality.

The mark of
responsible forestry

Quality will be ensured before delivery.

TRUST OUR PERFECT PRODUCTS.

From the Development to the Imprint of your Logo

You have the vision – we realize your ideas.

Our comprehensive standard brush range excels by its quick availability. Moreover the conception and production of individual special brushes in line with our stock-holding and just-in-time-deliveries are part of the special advantage our customers receive.

- DEVELOPMENT OF NEW BRUSHES
- INDIVIDUAL LOGO-IMPRINTS
- STOCK-KEEPING FOR JUST-IN-TIME-DELIVERIES
- NEUTRAL DELIVERIES – INTERNATIONALLY

Your Company is unique.
DO NOT MAKE DO WITH POOR STANDARDS.

Pet Brushes

The good must give way to the better

Quality that you should not miss.

Not only have our customers grown through the service we have produced for them, but also we have grown through what our customers demand and expect. The advantages of working with Braun&Wettberg® are many:

MADE IN GERMANY

The fact that everything is produced by one manufacturer, under one roof guarantees safety and prompt availability.

CENTRE OF DEVELOPMENT

Individual developments, optimized for different markets and demands.

LEADERSHIP IN SUSTAINABILITY

We guarantee safe products.

INTERNATIONAL EXPERIENCE

Braun&Wettberg® takes care of your Company no matter where you are.

EXTERNAL STOCK KEEPING AND "JUST-IN-TIME" DELIVERIES

Our Logistics Services save time and money for your benefit.

BEST QUALITY

An unacceptance of low standards and best workmanship guarantee high customer satisfaction.
